WHO ARE WE?

Gönüllü Hizmetler Derneği is active in voluntary field for 61 years. Our main activity area is short term international voluntary work camps. We send around 400 Turkish volunteers to 100 countries all over the world and receive around 200 foreign volunteers in our short term voluntary projects in Turkey.

Gönüllü Hizmetler Derneği is also active in EU – Youth Programs since 2000 as a partner. We have got our first accreditation in 2007 as soon as Turkey became a program country. **Gönüllü Hizmetler Derneği** is accredited as coordinating – sending and hosting organisation. We are promoting EVS among young people and acting as an information and counselling center.

Gönüllü Hizmetler Derneği, sends and receives participants for youth exchanges as well. We are regularly sending around 15-20 participants annually for different youth exchange projects, trainings or seminars.

History:

Gönüllü Hizmetler Derneği's roots go back to 1959, when the first international voluntary work camp organized in Turkey by Incentive Association for Voluntary Work Camps (Türkiye Gönüllü Çalışma Kamplarını Teşvik Derneği) which was established by a group of college students. The name has been changed to “Voluntary Services Association” (Gönüllü Hizmetler Derneği) by 1970s.

In 1979 **GENÇTUR** Travel Agency was born, in order to supply financial support for the activities of the Voluntary Services Association, as a sister, legal and commercial structure because the civil law in these dates was not allowing the NGOs to have any commercial activities.

In 1980, Voluntary Services Association was banned as all other NGOs throughout the country, by the military coup while the travel agency kept out of the ban due to its commercial structure. After this point, **GENÇTUR** Travel Agency took over the responsibilities of the Voluntary Services Association, in order to keep sustainability of the international voluntary work camps in Turkey. Since then, all voluntary work camps have been organized by **GENÇTUR** Travel Agency under the frame of youth mobility.

Although legally registered as a commercial travel agency, **GENÇTUR** never aimed to be a profit making company but acted as a non-profit making youth organisation. As there is still no recognition of “non profit making companies” in Turkey , we can not be labelled so, identified, described and recognized, but still act as non-profit making.

In 2002, Turkey had a new NGO Law and also became a program country by joining in EU Youth Program where Turkish NGO's could be a partner. The Turkish National Agency has been established in 2002 as well. This was a chance to go back to the old days and the staff of **GENÇTUR** Travel Agency, founded a new NGO called “**GENÇLİK TURİZMİ DERNEĞİ**” (Youth Tourism Association), in 2002 which gave us a second soul in one body.

In 2019, because of the 60th year of **Gönüllü Hizmetler Derneği** and 40th year of **GENÇTUR** we decided to change our Association's name to **Gönüllü Hizmetler Derneği (GHD)** again.

OUR MISSION AND VISION

Vision: We believe that the efforts to enable Turkish and foreign youth to recognize different cultures, to adopt differences with understanding and respect, and to change their prejudices about different cultures will contribute to the full implementation of human rights and world peace. We desire a world where there are no wars and everyone lives together peacefully in the framework of respect for differences.

Mission: In order to spread the international and intercultural understanding all over the world and to contribute to the creation of world peace, we aim to bring our young people together with their peers from different countries and cultures through different activities to offer them opportunities to improve themselves.

TYPE OF PROJECTS

GHD organizes mostly short term voluntary work camps around 2-3 weeks. Most of our projects are for volunteers from 18 to 99 years old. There are also several MTV projects happening every year in our program. Besides adult STV & MTV projects, GHD also organizes special type of projects such as teenage, family, senior and group projects.

EXTRA FEES

GHD does not charge extra fees for it's STV and MTV's for adults. There are extra fees only for teenage, family and group projects.

VISA POLICY

Usually Ministry of Foreign Affairs of Turkey has a very flexible visa policy for short term visitors. For many countries there is an e-visa (<https://www.evisa.gov.tr/en/info/>) policy which is easy to obtain online. In case of your volunteer needs to apply embassy or consulate of Turkey for visa, GHD is ready to provide invitation letter for your volunteer.

SAFETY

We know and understand that usually there is a concern from your potential volunteers about the security situation in Turkey at the moment. We sincerely would like you to know that we make sure that all of our projects are happening in safe and secure areas of Turkey far way from conflict zones of the moment. So please don't hesitate to encourage your worried volunteers to visit Turkey. 😊
